Who we are

As an independent charity set up in 1987, the Friends of the William Morris Gallery (FoWMG) is a membership organisation dedicated to supporting the William Morris Gallery.

We do so by helping to finance exhibitions, publications and development projects, by raising funds for the purchase of new acquisitions and by lending support in many other ways.

We offer members a quarterly newsletter, and we arrange regular lectures by leading authorities on William Morris and related topics; visits to houses and other historic buildings of special interest; social events including the annual celebration of William Morris's birthday.
